State and Tribal water quality standards are now available on EPA's web site at www.epa.gov/ost/wqs

- ◆ What does the web site provide?
 - ◆ Public access to full text of Clean Water Act water quality standards in effect
 - ◆ Word searchable water quality standards documents
 - ◆ Reference source for EPA, State and Tribal practitioners, public
- ◆ What does the web site include?
 - ◆ All water quality standards for each State and Tribe (i.e., regulations, and, as appropriate, statutes, guidance and/or policies)
 - ◆ Contact: Lars Wilcut at 202-566-0447 or wilcut.lars@epamail.epa.gov
